

What Our Circle of Care Members Say

"Jewish Care is the family I no longer have, therefore I want to help those who need their services."
Albert Amzalak

"I've always believed in what was then Jewish Welfare. They helped me as a young girl when I arrived from Vienna. I'm getting on and they give a lot of help to elderly people, which is why I have chosen to support Jewish Care."
Edith Peer

"We support Jewish Care because, from our experience, we have seen how much Jewish Care gives to our people."
Jack and Doreen Carman

"Our will includes Jewish Care because it looks after the sick and supports people living with a disability and whoever is in need. It's a good thing for the Jewish community."
John and Evelyn Beckman

"My husband left Jewish Care a legacy. I am amazed at the wonderful work they do, especially for Melbourne's large number of Holocaust survivors."
Margit Korn

"Both my parents were well looked after at the Montefiore Homes Community Residence. This is my way of showing gratitude."
Alan Michael

What is Circle of Care?

Circle of Care is an exclusive club which acknowledges and brings together individuals who have indicated that they wish to leave a planned gift to Jewish Care. Circle of Care meets several times a year allowing Jewish Care to honour donors who have made the decision to support the work of our organisation during their lifetime and into the future. By leaving a planned gift, our supporters become partners in our vision. Members of the Circle of Care are invited to meet our executive team and board members, attend special functions and events, and receive updates on Jewish Care programs, services and new developments across the organisation. In addition, they have the opportunity to develop a personal and rewarding relationship with Jewish Care as well as other Circle of Care members.

Jewish Care's Tradition of Caring

Jewish Care's mission is to enhance the wellbeing of the Jewish community of Victoria. Through the delivery of the highest quality of care and support, coupled with real choices and real options, we are transforming Jewish Care from a provider of necessity to a provider of choice. In 1848, visionaries in our community established the foundations of Jewish Care on enduring values that are still the core of who we are today. As our special members and ambassadors, you become the embodiment of those values:

טוב chessed *kindness*
משפחה mishpacha *family*
דרך ארץ derech erez *respect*
צדקה tzedakah *charity*
