

VISION

Together, building and supporting a healthy, resilient and inclusive Jewish community.

PURPOSE

Delivering excellent care and support, underpinned by Jewish values for the community we serve.

VALUES

Jewish Care's values are universal and enduring in nature, but are also particular to the Jewish approach to creating a meaningful life and a strong, cohesive community.

Our values define who we are and underpin everything we do. They pervade every aspect of our organisation, informing relationships amongst colleagues, between staff and clients and between our organisation and the wider community.

Our values are about people – they provide a moral compass for the way we respond to challenges and the decisions we make.
