A gift in your Will can build a better tomorrow for our Jewish community

A message from our Chief Executive

I am truly humbled and proud to lead Jewish Care and build on the 175-year legacy of caring for our Jewish community in Victoria.

As our visionary founders intended, the priority at Jewish Care is to support the most vulnerable people in our community.

Jewish Care's services include residential and community aged care, accommodation and support for those living with a disability and a range of social services. Our social services support vulnerable members of our community experiencing housing insecurity, unemployment, financial issues, family violence, mental health issues and parenting concerns. We also provide a range of educational and advocacy programs designed to strengthen community wellbeing.

No other Jewish organisation in Australia offers the diverse services to meet the care and support needs within our community.

I am deeply grateful to the extraordinary generosity of our donors and supporters, making it possible for us to provide these vital services.

By leaving a gift in your Will to Jewish Care, you share the same visionary commitment as our founders. Your gift will ensure we can continue to support the most vulnerable amongst us for generations to come.

With sincere thanks

Adjunct Professor Alan Lilly
Chief Executive

How a gift in your Will lives on

A gift in your Will enables Jewish Care to support people in need for generations to come.

Your gift can help provide those in our community who are at risk of homelessness with a safe, affordable and secure place to call home.

Your gift can help those facing job insecurity to find paid secure employment.

Your gift can help those experiencing family violence and other trauma with support from our counselling service.

Your gift can help provide mental health support to those in our community who are experiencing challenging times.

The demand for our services is ever increasing, a gift in your Will can help us maintain and expand our range of care and support to meet the needs of our community.

A word from our supporters who are leaving a lasting legacy

We are very thankful for their generosity

"We have been involved in the community since I was invited to join the Board of Jewish Welfare in 1969 and have supported the work of Welfare and later Jewish Care ever since. Jewish Care provides a range of essential services across our community and after a lifetime of support it seems only natural to make one final contribution by way of a bequest."

Geoffrey Green OAM

"I am grateful to the many staff members who have supported my son Darren to thrive over the more than 30 years that he has been employed at Jewish Care. For this reason, our family has made provision for a legacy gift to Jewish Care: to help ensure the ongoing support of people in need – the oppressed, the unemployed, people with a disability and the elderly. I've always felt that you can judge a mensch by how they treat our most vulnerable. Against that benchmark, I believe Jewish Care sets the gold standard."

Dorothy Kovacs

"We have always been supporters of Jewish Care and have made a lasting commitment to it. We are not major donors but rather regular people who care about our community and have made a commitment to it."

Rachel & Murray Caplan

"As volunteers we see first-hand how people in our community, at all life stages, are helped by Jewish Care. When we made our will, that's what inspired us to include a gift to Jewish Care. While we made provisions for our children, we felt it was important to remember our community too."
